# DEDICATION

1964 has been a joyous year and a year full of spirit for Berwick High School.

Our dedication this year is to a person whose guidance and leadership we value, and a man whom we admire and respect.

The 1964 Panther Staff is honored to dedicate our yearbook to Coach Glenn Perkins.

# PRINCIPAL'S MESSAGE

This annual records for you the reader many activities of Berwick High School students, faculty, and other friends.

Your annual cannot record nearly all of the work and play, joys and trials that make up a school year. It only catches brief moments, a few of the many events, some of the victories and defeats, and nearly all of the people who make Berwick High School a living, growing, changing, part of life in the Berwick-Bayou Vista Community. These captured moments and events become more precious with the passage of this school year into history.

Congratulations to the 1964 Annual Staff for the hours of work and preparation that have preceeded this impressive 1964 Panther Annual.

*Claude J. LeBlanc, Jr.*

# FOOTBALL

In looking back over this football season, our Panthers did more than just win many football games, they provided an unaccustomed atmosphere of enthusiasm which was missing here at Berwick High and in our town. Never have so many people come to watch the Panthers vanquish one opponent after another.

The Berwick Panthers have acquired state recognition as one of the finest Class A teams in the state. Everyone must congratulate our coaches and squad on this wonderful season. No one expected the Panthers to win the district championship and then to get to the semi-final contest, only to lose by one touchdown. The staff urges every student at BHS to never forget this great football season. Do not let our team forget how successful this football season has been. CONGRATULATIONS, PANTHERS AND COACHES, ON OUR GREATEST SEASON EVER!!

# BOYS' BASKETBALL

CLIFF WATSON  
Coach

The 1963-64 Boys' Varsity Basketball team competed in a very hard district this season. The boys did well in district competition and did even better in the overall season competition. Although our boys did not win a first place at a tournament, they made a fine showing at each one.

The Varsity will lose four seniors, but next year's team should improve in district play. Coach Cliff Watson hopes to take first place in District 6A next season.

This year our Junior Varsity Basketball team went through an undefeated season. The squad is combined with talent, balance, and hard work, which are so necessary to achieve good basketball.

Coach Glenn Perkins placed his team in tough competition. Next year's squad should be a fine team, but will find it hard to improve on this year's record.

# GIRLS' BASKETBALL

The 1963-64 Girls' Varsity Basketball team this season competed in a district in which they found it extremely difficult to compete with teams of their own caliber. They frequently had to play teams like Morgan City and Franklin. Although our girls didn't have a winning season, our girls displayed fine sportsmanship and a keen desire in basketball competition. Our squad next year should be better than ever, because the team didn't have any seniors.

Coach Claudette Freeman did a fine job with the material available.

We hope the squad will display a winning form next season which has been conspicuous by its absence during the last few years
